## Veris Settlement Partners Working With a Fund Buying Policies With No Medical Records or Life Expectancies

Veris Settlement Partners is happy to announce that we are working with a fund looking for the following policies:

<b>Age</b>	65+								
<b>Policies</b>	Term <ul style="list-style-type: none"><li>• Nearing the end of the Term period</li><li>• Term coverage no longer wanted</li></ul>

<b>Illustration</b>	Conversion illustration to maturity								
<b>Value</b>	Approximately 1% of Death Benefit plus 50% of the UL target premium								
<b>Conversion</b>	Term policy will be converted after purchase								
<b>Example</b>	<table><tr><td>\$1 million Term policy</td><td>\$10,000</td></tr><tr><td>\$35,000 target on conversion (50%)</td><td>17,500</td></tr><tr><td></td><td><hr/></td></tr><tr><td>Amount to be split by client, agent and Veris</td><td>\$27,500</td></tr></table>	\$1 million Term policy	\$10,000	\$35,000 target on conversion (50%)	17,500		<hr/>	Amount to be split by client, agent and Veris	\$27,500
\$1 million Term policy	\$10,000								
\$35,000 target on conversion (50%)	17,500

No one is becoming rich from this transaction but it sure beats lapsing the coverage.
